MEMORANDUM FOR

Project Manager, Maneuver Ammunition Systems
Project Manager, Joint Services
Project Manager, Combat Ammunition Systems
Project Manager, Close Combat Systems

SUBJECT: Program Executive Office for Ammunition Milestone Decision Process Policy

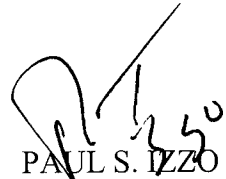

1. Reference memorandum, SFAE-AMO, 24 Jun 02, Subject: Program Executive Office for Ammunition Milestone Decision Process Policy (hereby canceled).
2. This policy updates and reissues reference above. It assists Project/Product Managers (PMs) in identifying the approach to be followed when preparing milestone decision packages for submission to Program Executive Office (PEO) Ammunition.
3. This policy applies to all PMs assigned to the Program Executive Office for Ammunition. It is not meant to supersede regulations from higher headquarters, but provide implementation instructions for those PMs under the auspices of PEO Ammunition.
4. Included in Appendix C is a list of documents required for ACAT I through III programs. This list is comprehensive and covers all of the commodities assigned within PEO Ammunition. Not all of the documents will apply to every type of program. In the interest of streamlining, you are encouraged to review the list and tailor the documents that apply to a specific program in accordance with the procedure outlined in paragraph VI of the policy.
